About the Event

Inaugurated in 2017, the Inclusive Employer Excellence Awards (IEEA) has become an annual event that honours Abbotsford and Mission employers who go above and beyond to create inclusive workplaces for individuals of all abilities.

This includes actively employing, providing work experience placements, community advocacy, and other activities related to including persons with a disability in the workplace.

The event is organized and hosted by five community partners working in Abbotsford and Mission: Archway Community Services, Bethesda Christian Association, Communitas Supportive Care Society, Mission Association for Community Living and WorkBC Abbotsford/Mission.

These community partners support people with disabilities, in unique but aligned ways, to find jobs that match their skills and interests. They share a vision of supporting local employers to access this relatively untapped talent pool while also ensuring that people who have disabilities are supported into meaningful and competitive jobs in their community.

We acknowledge that we gather on the traditional and unceded territory of the Stó:lō people. Stó:lō territory extends from the mouth of the Fraser River to Boston Bar. Locally, this includes the Matsqui, Sumas and Leq'a:mel First Nations. We give them thanks for sharing their land and resources with us.
